BResilient

B-Resilient project set an ambitious package of support actions to empower food processing SMEs to become more resilient by means of an optimum use of biomass, and with appropriate digital solutions.

Co-funded by the European Union

This project has received European funding under Grant Agreement 101074621 of which 1,12 million goes directly to Food Processing SME thanks to the B-Resilient Financial Support to Third Parties Scheme.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or EISMEA. Neither the European Union nor the granting authority can be held responsible for them.
